Attention: The National Account Manager for Kmart

Dear Sir/Madam,

Changes to the Contractor Online Induction

Please be advised that the Contractor Online Induction has been updated to reflect name change requirements to the Coles Group.

The site is unchanged in its content and the current induction process and requirements also remain unchanged.

The new website address is - www.contractor.colesgroup.com.au

All contractors, suppliers and demonstrators attending Coles Group sites should log onto the new website and reprint a Coles Group induction card.

Note that as an interim measure contractors, suppliers and demonstrators who produce a valid (i.e. in date) Coles Induction Card are allowed to carry out work on Coles Group sites and should not be turned away from stores or sites.

Please pass this information onto all staff and contractors within your business who visit and deliver to Kmart stores and DCs.

Should you require any further information please contact Darren McCaffrey on 0439 377 768.

Thank you for your continued support with the above.

Regards
